

# Name Your Neighbor Quiz

Here is a helpful tool created by Jay Pathak and Dave Runyon to see how well we know our neighbors. You live in the middle box. The surrounding eight boxes represent your neighbor's homes. How many boxes can you fill in, and how many first names can you fill in each box to represent the various family members or people who live in each home?

SCORING	
Total number of first names	
8 boxes filled	You're a loving neighbor! Need ideas for more gatherings? Check out this blog post. [link to "12 Ideas for Turning Neighbors Into Friends"]
6-7 filled	You are on the right track. <i>Next Door As It Is in Heaven</i> is an ideal resource for taking your neighborliness to friendship.
4-5 filled	You are on your way to loving your neighbors. Make an effort to introduce yourself to the rest.
3 or fewer filled	You are likely suffering from fear or lack of margin. See chapter 7, "Never Met a Stranger".
